

Cub Pioneering Catapults

Hobbies & Wheels 2006

Instructions

Divide Cubs into teams of six. Each six to build a catapult as per the attached photographs. Utilise twine for lashings.

Usage

Cubs can fire tennis balls at each other. Alternatively, there can be a competition as to who can fire a tennis ball the furthest.

Materials

- Broomsticks
- Twine
- Scissors
- Tennis balls
- Catapult elastic with pocket with tennis ball
